NEW YORK June 27th, 1906

Mr. A. A. Stamouli,

New York City.

Dear Sir:-

Replying to yours of the 16th, we are not aware of any translations of Dr. Herron's works, although several years since there was some inquiry from foreign publishers, but we were never advised that the work was undertaken.

We are not now the publishers of Dr. Herron's works in English, as owing to his later attitude we felt obliged to eliminate these from our catalogue.

Regarding the proposed work of the Russian Church, we regret that it does not appear possible to consider publication as we fear the volume would not be available for our list.

Yours,
