Ev. Darwin to 17 Jan 1877

My dear friend  
I have received your letter of the 10th and am glad to hear from you.  
I am well and hope these few lines will find you the same.  
I have not much news to write at present. The weather here is  
very good and the crops are doing well. I have been out  
for a walk every day and have seen many beautiful things.  
I have also been reading some of the new books that have  
come out and have found them very interesting.

Handwritten text in a cursive script, likely a letter or document. The text is written on aged, yellowed paper and is mostly illegible due to fading and bleed-through from the reverse side. Some words are clearly visible, including "Admiral" and "Key".
