This is a photograph of a handwritten letter on aged, yellowed paper. The letter is written in cursive ink and is addressed to Dr. J. D. Bierman, Jr. at the New Haven Observatory. The author of the letter is Dr. C. F. Hartshorne. The date of the letter is October 1, 1888. The letter discusses the authorship of a manuscript and the preparation of a new edition of 'The Natural History of the American Robin'. There is a circular library stamp from the 'Massachusetts State Library' on the left side of the letter.
