Enbi Risale-i Muhammediye.

The Kingdom Hir! the Praise, the Thank! for Hir the Generosity!
Creation Hir! and Hir Command! Aid Hir! and Liberality!

All self-sufficing was the Truth; His Being the sheer Absolute;
The Namer, they were the Attributer, merged yet in Hir Ipseity.
Hir Name is thus His Self; epiphany His Actual Being is;
Yet He is higher than the twain; know thou this glorious subtlety.
The Attributer were things desirable, the Namer decreer therein.
The Verities resulted thence; and all of these cried prayerfully:-
"How long, how long, how we remain here in the stores of the Inane!
"Hid in the Unity's domain, in nothingness, in cecity!
"Yet, truly, high-enthroned are we! what lords of lofty might we be!
"But yet the Most Hid Secret we; our need, it is epiphany!
"Tis ye who are prop and stay; 'tis ye who are our Kings to-day;
"Tis ye who are our inward ray, vouchsafe to us existence!
"If we be manifested, ye shall likewise manifested be;
"And shan will be the glorious Law, and know the bright Sagacity."
Soon as the Namer heard this they flocked together, to one place]

And cried, "O Lord! reveal us now without or stint our secrecy!"
So firstly all the Namer besought the Name Creator to this end;
It said, "The Name the Able seek, to fashion is its property."

صَقَانُ اللَّهِ لَيْسَتْ عَيْنَ قَانٍ * وَ لَرَّ غَيْرُهَا تَوَاهُ وَ اَنْفَعَل
وَ قَيْتَ الْاِسْمِ غَيْرُهَا يَلْتَمَسُ * فَ رَسَى اَقْلَ الْبَصِيْرَةَ قَبِيْرَ اَرْ

The Name the Able said, "Revelment with the Name the Willer her,
"The actual is at its command; to show, in its authority."
Then cried they to the Name the Willer, "Do thou manifest us now."
It made reply, "Tis by the Name the Knower must be signed this plea"
The Name the Knower said, "Your revelation is well-understood;
"But learn ye that the Name the Self compriseth all the Namer that be.
Then all the Namer together flocked, and to the Name the Self]
they said,]
"Orders upon thy order rest; things are in thy authority."

(anodurbi)

Then said the Name the Self, "I am indeed the Most Great Name, so I

"Do point unto the Named who is God who doth as willeth He.

Exempt His Self from aught of contradiction and from aught of flaw!

"Aloof His Nature that thereto should e'er reach perspicacity!

(O King Most Great to whose Perfection declination ne'er may win!

To whom fair Beauty for whose Gloré imagination ne'er may win!)

"Do ye without His Glory's veil abide while I before Him go

"And see how He will order since ye cry with importunity."

I went before the Very Self, and said, "My Lord! and O my Lord!

"As Thou the Knower art of secrets, there is naught concealed from Thee."

The Self replied, "I am that Self the independent of degree:

"From Actual and Manifest nor hurt nor profit is to Me.

"But since the Verities implore and earnest pray of all the Names,

"And since Our Names desire that Thou should grant this thing they

"Go now, command the Names, and let these straightway the command obey,

"Thus let the Verities come forth in untold multiplicity,

"Let every Name bestow on every Verity that seeks, therefor

"Such virtue as its strength may bear: Wrought through all worlds be

their decree."

What time the Prototypes to come to realised existence sought

They cried, "We fear lest there should overtake us dire calamity!"

So then the Name the Schemer came, and said, "First, Name Sustained!"

"Let the Contingent's order stand, that naught destroy it do thou see!"

When heard of this the Name of Self, it made two Names register,

The Schemer and the Executor which achieves all things that be.
