you advise some “cuts” and the experience  
of the war. This is of vital importance to us  
and I wish you would to your best to get  
them, if we could afford it, we would have  
made them ourselves, but you know how  
hard we are fighting to keep the mag.  
up. The fact that I am working all night

they are kept because we happened  
to be unable to discharge all of our  
obligations to our former landlady  
at 327 Columbus av. who between
